REGISTER BEFORE SCHOOL STARTS – SCHEDULING WILL BEGIN AUGUST 14
On-line Registration and Payment is available at the Music Academy Web Site. Tuition for the semester package of twelve 30 minute lessons (or the equivalent total time) is $400, with a prepayment discount of $30 if full payment is received before August 31. Registrations should include EITHER a $150 deposit (2 additional $125 payments due October 1 and November 1,) OR full payment at the discounted $370 (by August 31.) If we cannot accommodate the scheduling criteria you provide on the registration form, all fees will be refunded. Otherwise, the $150 deposit is non-refundable. Also, due to contractual commitments in securing instructors, after August 31, Music Academy participants are obligated to complete full payment, even if they choose not to complete the semester.

Coordinating student, teacher and facility availability is complex, and flexibility is necessary to accommodate everyone. In order to make this work, please keep these considerations in mind. Complete the registration form fully, (one for each child) providing as much detail as possible. When specifying possible lesson times, the more flexible you are, the better chance that your request can be granted. However, you should choose times that will not have frequent irresolvable conflicts. The information you provide will be critical in matching student to teacher. (While individual instructors may choose to schedule a make-up lesson, limitations of our facilities and their schedules will mean there is no guarantee of make-ups. A maximum of 2 make-up lessons per semester may be scheduled for absences due to illness or an emergency. The teacher should be notified as soon as possible. Forgotten or missed lessons due to conflicting activities and lessons missed without prior notice to the teacher may not be made up. Students are responsible for scheduling make-up lessons with their teacher. Teachers who miss lessons will schedule make-up lessons, scheduling subject to facility availability.)

We are pleased make private music lessons available to our students in the after school hours, and proud of the quality of our teachers. Please contact us with any questions. (Robert.king@lipscomb.edu or call 966-6410.) We will do our best to get the answers needed to assure a positive enrichment experience. We look forward to partnering with you in developing the talents God has given these students.

Sincerely,

Robert King
