

Places we are going to visit:

- Business capital of Frankfurt (ECB and Stock Exchange)
- Automotive manufacturing and engineering facilities
- Local cultural attractions
- Visit to Heidelberg and its famous castle
- Special visits for Engineering students
- Free travel throughout Europe

Meet your faculty:

- **Dr. Andy Borchers - Associate Dean of the College of Business**
has more than 20 years experience in the auto industry. He has broad areas of interest that include operations and supply chain management, information systems and environmental sustainability. Each summer Dr. Borchers lectures at the University of Applied Sciences in Esslingen.
- **Dr. Chris Gwaltney – Assistant Professor of Engineering**
holds a Professional Engineering license in Tennessee, Kentucky, and Indiana with 10 years work experience in the geotechnical engineering design and construction industry. His specific areas of interest include earthen dam analyses and design.

Upcoming Information Sessions:

- Monday, October 22nd from 4:30pm - 6pm
- Tuesday, October 23rd from 11:45am – 1:15pm
- Wednesday, November 5th from 11:30am – 1:15pm
Outside Swang 108
