How did you hear about Lipscomb's Robotics Camps? _____

Due to high demand we encourage you to apply before March 15th.

Priority will be given to first-time campers in each age camp.

BisonBot Robotics Camps are very rewarding but academically challenging. Please help us ensure that your child has a successful camp experience by submitting all required paperwork. **Applications are evaluated when we receive ALL required paperwork as follows:**

- 1. Personal letter of reference** from someone other than a family member (e.g. teacher, counselor, scout leader) who has observed your child's participation in an organized, multi-day activity (e.g. previous camps, scouting, after-school activity). *If you are a returning camper from 2018, you need submit only an application and grade report. No letter of reference is required.*
- 2. Copy of a report card or school transcript** reporting the last full semester math and science grades.

Send no money at this time. Applicants will be selected and notified by **April 15, 2019**. If accepted, you will be asked to submit a \$75.00 non-refundable deposit securing your spot in camp, with the remainder due 30 days before your selected camp begins.

Academic Scholarships: Regardless of the selected camp, all applicants will be considered for partial academic scholarships.

Need-Based Financial Aid: If you are applying for financial aid, your application must be accompanied by a letter describing the nature of the financial need along with a copy of the parent/guardian's 2018 Federal Tax Return showing adjusted gross income (AGI). Information will be held in strictest confidence, and all materials will be properly destroyed once reviewed.
