

# Summer Scholars

 **LIPSCOMB**  
UNIVERSITY

# Nashville

## The opportunity begins now.

Experience college life at a nationally ranked, Christian university through challenging coursework, hands-on learning and community life with Nashville as your backdrop. Summer Scholars is Lipscomb University's **10-day residential program for rising high school seniors.**

You don't have to wait until you're finished with high school to begin working toward your degree. Summer Scholars gives academically

motivated students from across the country the opportunity to take a college course and preview life at Lipscomb. Be prepared to ask questions, take risks and reach beyond course subject matter into real-world application.

The best part? You'll get **three hours of college credit** without paying tuition for it. The only cost to participants is a fee to cover housing, meals, activities and textbooks.

# ENGAGE

Created to be more inspiring and interactive than your advanced high school classes, our selection of coursework will challenge you to dig deeper, think critically and apply your classroom learning in the real world. Offerings include classes like:

## Introduction to Psychology

An introductory course covering a variety of topics within the field of psychology such as sensation-perception, consciousness, learning and memory, motivation, emotion, development, attitudes and others.

## Fundamentals of Biology

This course is designed to develop an interest in the biological world of which we are all a part. The fundamental principles of biology will be covered, and special consideration will be given to ethical issues with a biological basis.

## Introduction to Engineering

An introduction to the profession and practice of engineering combining elements of active learning, laboratory experience and lecture. The lecture portion presents the history, role, disciplines and functions of engineering. Studio and laboratory experiences expose students to the disciplines of civil, electrical and computer, and mechanical engineering.

## An Entrepreneur's Introduction to Business

This course develops business fundamentals by taking an entrepreneurial perspective to the pursuit of value-creating opportunities. Students examine the entrepreneur's approach to business creation, leadership, innovation and creativity, and the knowledge and skills necessary for these approaches to create value. Students will then develop a widely applicable business model for an entrepreneurial opportunity.

## Introduction to Communication

A course in the fundamental principles of effective oral communication. Special attention is given to the understanding of theory, direct messaging, interpersonal communication and the presentation of speeches.

## A Study of Nashville: Exploring the City from Different Perspectives

This course blends traditional classroom instruction with experiential learning to ask and answer a central question: How does Nashville present itself to various groups (residents of the city, residents of Tennessee, and tourists)? Pre-reading materials focus on the different topics covered throughout the course and provide an opportunity for students to gain background knowledge. By exploring different aspects of the city through active learning experiences, students will understand how Nashville constructs meaning for all those who live or visit here.

# EXPLORE

Music City. Smashville. The Athens of the South. **Our hometown of Nashville** is all of these and so much more, and you'll become part of the community that Lipscomb has to offer within the diverse landscape of our city, where **your learning will extend beyond the classroom.**

Not only will you visit many of Nashville's most famous attractions—you'll also get to experience Lipscomb's rich connections to **Nashville's wealth of professional opportunities** in leading industries like tourism, health care, finance and technology.

During the evenings, you'll participate in activities on and off campus, ranging from go-karting downtown to music shows and a group luau. And you'll get a taste of Nashville with meals from a variety of local restaurants.

Summer Scholars is a program for **rising seniors** with a **24+ ACT** or **1160+ SAT score** to earn **3 hours of college credit!**

## EXPERIENCE

Build relationships with your peers through activities designed to simulate the experience of campus life at Lipscomb. You'll share meals with your classmates and professors, participate in class activities, and enjoy the vibrant culture of Nashville—an extension of the Lipscomb campus that will enhance your learning.

### Tuition and Fees

We want you to spend your summer with us! That's why **we cover the cost of tuition (\$3,500+) for all students accepted into the Lipscomb Summer Scholars program.** A program fee to cover housing, meals, activities and textbooks is the only expense for Summer Scholars students and their families. A deposit reserves your place in the program. The remaining balance is due in May.

### Submit your application.

Summer Scholars is open to rising high school seniors who have scored at least a 24 on the ACT or 1160 on the SAT (ERW+M). The application will open in January and close in May. **Space is limited, so make plans to apply early** and take the ACT or SAT prior to the application deadline.

Then, follow these steps:

1. Submit your application online at **[lipscomb.edu/summer-scholars](https://lipscomb.edu/summer-scholars).**
2. Submit your academic evaluation form, official SAT/ACT test scores and high school transcript.
3. Send your deposit. You can pay online or by check. The deposit is refundable until May 1.
4. Once the above items are complete, schedule your interview to be done over video chat or on campus.

All documents should be official (sent directly from high schools, testing services and recommenders). Items can be submitted electronically or mailed to Lipscomb University.

Students accepted into Summer Scholars are guaranteed admission to Lipscomb University. For more information and to submit your application, visit **[lipscomb.edu/summer-scholars](https://lipscomb.edu/summer-scholars).**
