

Together we lift the world.

Your potential, realized.

It's already within you: the potential to lift the world. It's also been woven into the DNA of Bisons since 1891. And when you join a community that leads by extending a hand, your potential is met with **boundless opportunity**—to develop deep knowledge, form lasting relationships and activate bold faith. In other words, you'll thrive, and in doing so, you'll create meaningful change.

At Lipscomb, we take pride in our **commitment to excellence**—we're always looking for new ways to push the envelope. And so your academic journey will be marked by growth. You might explore interdisciplinary ideas in the Honors College, or conduct research through one of our competitive fellowship programs. Maybe you'll use your gifts for good through our service-learning curriculum or stretch your leadership skills in student government. Whatever it is, **you'll shape Lipscomb as much as Lipscomb shapes you.**

Our **close-knit, Christ-centered community** is rooted in connection. That means that your favorite professor will invite your class over for dinner, or that your campus minister will take you to coffee. Experience small classes, profound spiritual formation, vibrant student life, D1 athletics—along the way, you'll find a herd that sticks with you for life.

During the 2019-20 school year, Lipscomb was named a **Christian College of Distinction.**

Lipscomb has been listed among the best values in private universities. *Kiplinger's Personal Finance, 2019*

Nashville

A landscape of possibilities.

Nashville was recently named one of the **best places to live in America**, and it's easy to see why. When you're not in class, you could be lounging on the lawn of Centennial Park, browsing the Frist's latest art exhibit, cheering on the Preds from center ice or catching a show at the Ryman. But at Lipscomb, some of those things will be part of your classroom experience, too.

We believe that **experience is the best teacher**. That's why on any given day, your classroom could relocate to the Country Music Hall of Fame or the Sound Emporium recording studio. Your professors might take you to lobby at the Tennessee State Capitol or minister to the community with local church planters. The city's most renowned business leaders could be guest lecturers in your entrepreneurship class—or they might teach it all semester. In a city like Nashville, **there's no shortage of opportunity**.

In fact, we're a leader in industries like **tourism, health care, finance** and **technology**. Follow in the footsteps of other Lipscomb students and intern at prestigious companies in town like Warner Music, HCA, Nissan or Barge Design Solutions.

95% of our students are placed in jobs or graduate school within six months of graduation.

Nashville is ranked the 2nd hottest job market in the country. *Wall Street Journal, 2020*

A vibrant campus. A thriving city. Discover the person you can become at Lipscomb University, a place that will challenge your ideas, welcome your curiosity and nurture your faith.

Our **13:1** student-to-teacher ratio means you'll build relationships that make a difference.

The **best music** scene in the country, **4 pro sports** teams, nationally ranked **restaurants** — Nashville **always** has something to do.

Nashville's **rapidly growing economy** creates opportunities for you to set your career in motion **before** you even graduate.

Nashville is hailed as a **top-10** educational destination for students.

Over **100 different student organizations** focused on **spiritual growth**, **social issues**, **academic pursuits** and **athletic endeavors**.

Engage and expand your academic palate.

Our leading academic programs cultivate **innovation and community** across campus and into the city. Connect with other creative, motivated minds as you explore a curriculum that emphasizes **interdisciplinary engagement**. Your **diverse peers** will welcome your worldview. **State-of-the-art facilities** will support your ambition. Our elite faculty will guide you as you **master your craft**.

Live a life of meaningful service.

At Lipscomb, you'll grow spiritually as much as you grow intellectually, and that's what makes us different. You'll have **constant resources** to live into your faith: through coursework, devotionals, mentorships, mission trips—**what we believe drives what we do**. Whether you're serving abroad or volunteering locally, we want to **help you change the world**.

See the world through the lens of learning.

Take the classroom wherever you go. We offer opportunities to **study abroad in over 40 destinations**, including four semester-long programs in **Florence, London, Vienna** and **Costa Rica**. Immersive coursework, community engagement and experiential learning will root you deeply in your environment. Develop a global perspective that will prepare you to lead with awareness and agility.

Get involved in 100 different ways.

With **over 100** different student organizations, campus is overflowing with opportunities to thrive socially. Run for **SGA office** or rush a **Greek organization**. Plan an on-campus concert or cookout as part of the **Student Activities Board**. Play intramural sports or cheer on one of our **17 Division I athletics teams**. Intern with **Campus Ministry** and stimulate deeper community. The options are endless.

See for yourself.

We'd love to show you around!

Schedule a campus visit to get a sense of what your future as a Bison could be like. Can't make it to campus? No problem—our virtual visit experience is a great start. Plan the time that works best for you at lipscomb.edu/visit.

Ready to get started? You'll find all the information you need about applying, including requirements, deadlines and more, at lipscomb.edu/apply.

Connect with us.

Want to talk to someone about whether Lipscomb is a good fit for you? That's what we're here for. Or, if you're ready to apply, let us guide you through the process. Reach your admissions counselor at lipscomb.edu/connect.
