

## **Lipscomb University Undergraduate Research**

### **Application for the Langford-Yates Fellowship**

Both student applicant and faculty mentor should complete this form and send signed copies to the department Chair for onward submission to the CLAS Scholarship and Fellowship office. Applications are due November 15th. Successful applicants will be notified by February 15. Only students who have earned a GPA of at least 3.0 are eligible to apply. Successful applicants are expected to present a poster or a paper at the Annual Student Scholars' Symposium.

1. **Faculty Applicant (Mentor) Information**

Name \_\_\_\_\_ Department \_\_\_\_\_  
Office Number \_\_\_\_\_ Email \_\_\_\_\_  
Contact Phone \_\_\_\_\_

2. What **benefits** might a student researcher gain from working on this project? Check all that apply:

- |                               |                        |                |
|-------------------------------|------------------------|----------------|
| a. Valuable experience        | _____ almost certainly | _____ possibly |
| b. Teaching and mentoring     | _____ almost certainly | _____ possibly |
| c. Presenting at a conference | _____ almost certainly | _____ possibly |
| d. Listed as co-author        | _____ almost certainly | _____ possibly |
| e. Letter of reference        | _____ almost certainly | _____ possibly |

3. Number of hours the student is expected to work on this project during the summer

\_\_\_\_\_

4. Approximates dates during which the student will conduct research \_\_\_\_\_

5. **Student Researcher Information**

Name \_\_\_\_\_ Department \_\_\_\_\_  
Major \_\_\_\_\_ Academic Classification \_\_\_\_\_  
Email \_\_\_\_\_ Contact Phone \_\_\_\_\_

6. **Project Information** [*The student applicant is expected to write the proposal in his or her own words with faculty help (minor edits only)*]

6.1 Title of project

6.2 Project description (or Background) [1000-1500 words]. Should include literature References

6.3 Research Questions (hypothesis)

6.4 Goals and Objectives

6.5 Research Methodology

6.6 Significance of the project and value to the discipline

6.7 Literature Cited

7. What will be the product of the research (journal article, book, conference presentation, data collection for ongoing study, etc.)?

**Faculty Mentor Signature** \_\_\_\_\_
