1. You must be awarded Federal Work Study.
2. Find a job on campus. Jobs are posted through www.lipscomb.edu Human Resources

_____ Accept / Apply for Any Loans You May Need

- **Direct Federal Student Loans** are non-credit based student loans. Direct Federal Loans are offered to you by the government based on your FAFSA information and year in school. You can **accept** or **decline** your Federal Direct Loans through *myLipscomb*. The loans are offered for an academic year. The government charges an origination fee (approximately 1%). In addition to accepting the Federal Direct Student Loans in *myLipscomb*, a student **MUST** also complete *Entrance Counseling* and a *Master Promissory Note* at www.studentaid.gov for the funds to pay. It typically takes approximately 30 minutes to complete these steps.

- **Direct Parent PLUS Loans** are Federal Loans that parents of dependent undergraduate students may receive. To Apply, the Parent will go to www.studentaid.gov. Log in using the Parent's Username and Password. Complete the four step approval process for the Parent PLUS loan. The credit decision will be provided immediately along with next steps. The Parent PLUS loan should be completed for the school year, not by semester. This application is available after June 1st.
 - **Approval** will be sent to the Financial Aid Office within a week.
 - i. Approvals with specific amounts will be added to the student's **myLipscomb** within about a week.
 - ii. Approvals for "maximum amount" will be awarded up to the total Cost of Attendance and the parent notified of the amount.
 - iii. Parent must sign a Master Promissory Note to agree to the loan terms at www.studentaid.gov

**The Department of Education charges an origination fee on the Parent PLUS Loan.*
 - **Denial**, If the parent is credit denied, the student can receive additional Unsubsidized loans of \$4,000 for freshmen and sophomores and \$5,000 for juniors and seniors for the year. Decisions will be sent to the Financial Aid Office within a week.
 - i. **IMPORTANT:** In order for the student to be eligible for additional Unsubsidized loans with a Parent PLUS Denial, the parent must select "**Will not pursue PLUS Loan**" after the denial decision is made. Leaving it blank, appealing or selecting the endorser option does not allow for the additional unsubsidized loan. The student must still accept the additional unsubsidized loan amount once it is available.
 - ii. If an endorser option is selected, then this process must be completed and submitted to the school by The Department of Education before the PLUS loan can be added to the student's award.
 - **Private Student Loans** are available to students who qualify with a creditworthy co-signer. Searching for Private Loans through a search engine such as nerdwallet.com or bankrate.com or your personal bank is the best option. A student should notify the Financial Aid Office with the name of lender and approved amount (for school year) in order for the loan to be certified and applied to the student's financial aid award.
