STUDENTS

We are excited to announce that our new CampusNexus Student (CNS) system and the new myLipscomb portal are now live and ready for you to log in. The new myLipscomb portal was redesigned for ease of use and handy access to things you care about. The combination of the myLipscomb portal and the new CNS Student Portal will be all you need to access important information about your Lipscomb needs.
1) To log in to the new myLipscomb portal, go to **my.lipscomb.edu** and sign in using your Lipscomb student email address and your Lipscomb password.

Instructions for common functions such as registering for classes, viewing and accepting your aid, and paying your bill are in the CampusNexus Student Help section of the new myLipscomb portal.

2) To navigate to the CNS Student Portal, click on the All Apps icon on the left navigation menu
