## Accessing Nelnet for Student Payments and Payment Plans

In Nelnet, you can view your current balance, view the balance by term, make a payment, and enroll in a payment plan. You can save a payment method such as a bank account or credit card on the Financial Accounts tab. You can also add an Authorized Party such as a parent to grant them access to view your balance, make a payment, and enroll in a payment plan.

The screenshot displays the Nelnet portal for Lipscomb University. At the top, the university logo and name are on the left, and the Nelnet logo with 'CURVUS COMMERCIS' is on the right. Navigation links for 'Home', 'My Profile', and 'Financial Accounts' are in a dark blue bar. A user is signed in, and there are icons for notifications and a profile dropdown. The main content area is titled 'Hello [Name]' and features a 'Payment Activity' card. This card shows a current balance of \$5,000.00 and a 'Make a Payment' button. Below this, a table lists the 2020 Fall Semester Payment Plan (114 878 974) with an amount due of \$5,000.00. To the right, a user profile card shows options to register for text services, view regions, and add authorized parties.
